HAUTE VALEUR ENVIRONNEMENTALE

Coming from family historical plots, "Dirty South" wine expresses all the diversity of our terroir.Our great-grandfather and our grandfather, knowing the best floors, planted the vineyards on deep sands and sand on serious. Tradition mixes with modernity, following the explosion of musical movement of the East Coast and the West Coast, the "Dirty South" is another style of American hip hop.The location of our vineyard at the "South" (South) of Saint-Emilion allows us this wink to the label inspired by the albums of the 90s. This wine reveals a very intense nose where notes of blackberries and blackcurrants are expressed.The mouth, ample and warm, reveals flexible and silky tannins.Perfect for a moment of conviviality with friends or family around a beautiful aperitif board.
