HAUTE VALEUR ENVIRONNEMENTALE

Official collaboration with the Peaky Blinders series. We have combined our winegrowers' know-how to create two exceptional red wines, worthy of the Shelby table. Inspired by the 1920s, we explored the vinification techniques of the time to offer a unique experience. Our ambition: to revive this legendary period through each bottle. More than a wine, it is a time trip, a tasting marked with history and character. The first cuvée is a vibrant tribute to the Peaky Blinders. Bold and intense, she reflects the Shelby family: dark and powerful like the gaze of Thomas, raw like Arthur but silky and refined as Polly. A bottle with an assertive character, cut for lovers of legendary wines.
