TERRA VITIS

Château Haut Gros Caillou extends over a 7 -hectare vineyard, with the presence of exceptional plots of Graves. The care provided in the vineyard and vinification have been optimized to ensure the best expression of the grapes. To preserve the fruit, to reveal all the flavors, such is the line of conduct at the Haut Caup Caillou castle. Raised for 18 months in barrels and amphora, the High Château Large Caillou produces fruity, elegant, very flexible, finely wooded wines, typical of the wines of this part of Saint-Emilion.
