AREA

Girl and little girl from winegrowers, I grew up on the family farm at the foot of the hillside of Saint-Émilion. In 2005, my father sent us 1.5ha, whom I exploit with Stéphane my husband. The castle La Rose Monturon was born, a real life project! The Rose Monturon is an adventure that begins in Saint-Laurent des Combes, first the purchase of a tractor, three tanks and a few barrels that we have finely slipped into our 30m² garage ... Suffice to say that we were cramped. It was in 2007 that we invest in the neighboring village in Saint Étienne de Lisse. A house, operating buildings, equipment and a hectare of vines are expanding the farm. Supported by our families, encouraged by our friends, we embark on the extraordinary adventure of the profession of winegrowers. Myriam and Stéphane, your winegrowers
