HAUTE VALEUR ENVIRONNEMENTALE

Château Plaisance is located in the heart of the St Emilion appellation, 4 km from the village of St Emilion. Its construction dates from 1881. The owner, M. Egan, acquired the castle in 2005 and, with patience and passion, modernized the cellar of breeding, the winery and restructured the vineyard to make this beautiful property. The 12 hectare vineyard is divided into 80% Merlot, 10% Cabernet Sauvignon and 10% Cabernet Franc. Traditional vinification is followed by a breeding of 14 to 18 months in French oak barrels.
