Environmental certifications

EN CONVERSION BIO

Located in the heart of the Saint-Emilion vineyard, in the town of Saint Christophe des Bardes, the 25 hectares of the Château Boutisse grown in organic farming are deployed with a single holder on the limestone Argilo plateau where all the greatest crus are producedof Saint Emilion.Château Boutisse joined the ranking of Saint Emilion in 2022, thus becoming Grand Cru Classé. Château Boutisse is the "haute couture" vineyard of the Milhade family.Acquired in 1996 by Xavier Milhade, and since led by his son, Marc Milhade and his daughter Elodie Richard-Milhade, the vineyard has undergone many developments, taking the turn of the environmental approach in 2010. Certified HVE3 since 2018, then AgricultureBiological since 2023. The wines are dynamic, alive, and very identity of the clay-limestone plateau.Our philosophy is to have a reasonable and sincere approach, in our image, without excess of wood, with freshness and a great persistence.
