FRANCE

Environmental certifications

HAUTE VALEUR ENVIRONNEMENTALE

This Grand Cru is the quintessence of the vintage. Each vintage turns out to be a plot or a local area that the vintage has magnified.The assembly and the origin of the plots change to offer us a unique moment. Dark and shimmering set.Concentrated nose with fragrances of dark fruits mixed with spices, undergrowth, noted with a distinguished wood.Full mouth, with the melted material in the fruit and persistent.The finish is refined and harmonious, of very good intensity. Production: 1000 bottles
