AGRICONFIANCE

SYSTÈME DE MANAGEMENT  
ENVIRONNEMENTAL - ISO 14001

AREA

HAUTE VALEUR ENVIRONNEMENTALE

Family vintage since 1620 managed by the ninth generation of this family of winegrowers located on Saint Hippolyte at the foot of Coteaux & Haut de Vallée. The planted surface is divided into 3 varied sets of homogeneous plots. The distribution by grape varieties is quite atypical in its proportions for our sector. Burned vineyard and labeled in several environmental type certifications since 1996 with a progressive and gradual rise in charge according to reasoned experiments both from the point of view of the adaptation of our cultural modes and the necessary limitation of our chemical, environmental and societal. In the continuity of our vineyard Our grapes are picked in a gravity chair and vinified by fragmented selections by grape varieties in an adapted redness. We live for and at the heart of our ecosystem and are very vigilant to respect the global balance as well as the sustainability of this environment. Very next R.S. Certification.
