AGRICULTURE BIOLOGIQUE

HAUTE VALEUR ENVIRONNEMENTALE

A timeless heritage in Saint-Émilion. The oldest family wine estate in Saint-Émilion (activity continues since 1507), the Château du Rocher is headed today by the Countess B. de Sercey, heir to a family tradition of 500 years. Timeless natural and chic elegance characterize its wines, developed from a 16 hectare vineyard. An exceptional terroir, clay-limestone and ferruginous, gives wines a power of youth and a typical aromatic finesse of Saint-Émilion. Committed to the future, the field has been certified organic since 2012 (Ecocert) and favors soft techniques to preserve the balance of soils and biodiversity. Discover the authentic expression of Saint-Émilion with Château du Rocher.
