After 4 years of research around the most beautiful terroirs in Bordeaux, it is around this property that our history begins.It is located on the bottom of Saint-Émilion in the ancient sands, a magnificent terroir which gives the vines an extraordinary aromatic potential.Château Grand Lartigue, excellence of Saint-Émilion Grand Cru, is beautifully composed of Merlot (80 %), whose nectar embodies "the senses of the terroir".Since 2009, our parcel work has led us to rethink our wines to revive Château Queyron Lartigue (AOP Saint-Émilion) where the terroirs producing more flexible and fruity wines are expressed.This work will be rewarded from the 2012 vintage with a gold medal and a Hachette guide for this wine.
