HAUTE VALEUR ENVIRONNEMENTALE

Nestled between the hills of Pavia and Ausone, the vineyard of the Château La Gaffelière, a historic Grand Cru de Saint-Émilion, extends over 38 hectares in southern exhibition.The plots are positioned on the 3 specific terroirs of Saint-Emilion: the limestone plateau, the clay-limestone coast and the more siliceous coast foot. The family of Malet Roquefort has managed with passion for the destiny of the property for more than three centuries, with a single goal: the valuation of the vineyard while producing a large wine in guard.
