THE MEETING

Environmental certifications

HAUTE VALEUR ENVIRONNEMENTALE

The Claymore Domaine was founded in 1960 in the Lussac Saint-Emilion appellation area, and adjoins the wine regions of Bordeaux, Saint Emilion mountain and Lalande de Pomerol.Since its creation and the acquisition by François and Maria-Dolorès Linard in 2001, the Claymore vineyard has developed and has acquired over time, a notorious place in the Lussac Saint-Emilion appellation.Using a small versatile team, François and Maria-Dolorès have gradually restructured the vineyard, modernized the cellar and shaped wines in their image, while respecting traditions and the terroir.
