EN CONVERSION BIO

Of a modest area (1ha12), 100% Merlot which authorized the attention of the Estager family from 1848 to 2020, the Château La Pointe Chantecaille is in the heart of the Golden Triangle of the greatest Crus of Saint-Emilion andPomerol, on a coveted terroir of serious and clays, mixed with iron oxides. Bought in 2020 by Jean-Paul & Gérald D' Incau, the property was completely renovated, with a new thermoregulated cuvier, suitable for tailor-made vinifications.Our vines, in conversion to organic farming, are planted 100% in Merlot. High precision vinification and controlled breeding make it possible to preserve the aromatic identity of the plot between purity of fruit aromas and velvety tannins, elegance and length in the mouth. The tasting room & the store were also renovated so that they could receive lovers of rare wines in an intimate atmosphere. Oenologist: Berrouet Advice
