AREA

In 2008, Thomas Pêtre chose a simple plot on the heights of the Saint-Emilion appellation, immediately seduced by his situation and the potential of his terroir. With 3.3 ha, the vineyard allows a foot knowledge and makes it possible to work "haute couture". Each gesture is made with persistence and rigor. Today Château de Set shows that it is not the area of the vineyard that makes a large wine but the terroir and the intransigent work that is accomplished there.
