BELGIUM

FRANCE

Environmental certifications

HAUTE VALEUR ENVIRONNEMENTALE

Grand Cru Classé of Saint-Émilion since 2022, Château Badette marks the rebirth of a terroir already praised in the 19th century for the finesse of its wines.Taken over in 2008 by the Vandenbogaerde family, the estate quickly regained its status thanks to an ambitious restructuring.The 10.5 hectare vineyard, mainly planted with Merlot, is based on a mosaic of soils which brings power, depth and elegance.“Badette is surrounded by classified growths, I want the wine to express the terroir, with power but also elegance, finesse”, Marc Vandenbogaerde.Certified High Environmental Value, the estate places biodiversity at the heart of its philosophy.The wines are distinguished by their aromatic intensity, balance and length, embodying the identity of a Grand Cru Classé of Saint-Émilion.
