The Richard-Biès family has been practicing viticulture for nearly 200 years, thus perpetuating family know-how. It was Denis Biès, cooper and cellar master at the beginning of the last century, who contributed to the good reputation of Château Saint Christophe. After the second war, his granddaughter married the wine broker Gilbert Richard who affirmed his passion for wine. Fifty years later, their grandson Frédéric and his wife Aurélie cultivate the land in the same spirit. For several years, we have also been offering accommodation in the middle of the vineyards www.saintchristopheholidays.com
