BIODYVIN

Historic Grand Cru Classé located on the limestone plateau 50 m from the gates of Saint Emilion. The cellar and vat room are in the village! Its name comes from the family of the Girondin deputy Mr. Elie GUADET from whom the property was purchased after the French revolution in 1844 by the ancestor of Guy-Petrus LIGNAC 6th generation. The estate is today managed by Guy-Petrus and his son Vincent LIGNAC. With a size of 4.2ha, it has been certified organic since 2010 and certified biodynamic since 2015. Around 12,000 bottles/year or 1000 cases are produced. 90% of sales are done directly at the estate to individual customers. We ship worldwide directly from the domain via Fedex Express. The remaining 10%, throughout the world, mainly in high-end catering. The estate is open every day of the year by appointment. Via email: chateauguadet@chateauguadet.com or by telephone. Visit exclusively made by the owners Vincent and Guy-Petrus. Biodynamic Wine.
