HAUTE VALEUR ENVIRONNEMENTALE

Intuition de Fleur Cardinale, the second blend of Château Fleur Cardinale, is the wine that is opened without ceremony, for the pleasure of the fruit.Crunchy fruit, fine and silky tannins, supple and fresh material: everything invites you to drink it in its youth.Pairings: grilled meats, Mediterranean cuisine, chocolate and red fruit desserts. "Intuition is both a tribute to Florence who had a presentiment in 2001 that our family adventure would be great, and the compass of the winemaker who, each year, trusts his palate to reveal the best of our terroirs in the blend."
