HAUTE VALEUR ENVIRONNEMENTALE

Château Croix Cardinale is the House's confidential vintage, born on the southern slope of the clay-limestone plateau of Saint-Étienne-de-Lisse.Intense and expressive aromatic nose, dense and powerful mouth, chalky tannins and mineral touch, very long finish.A wine where the energy of the fruit combines with an assertive texture, designed to reveal itself over time.Pairings: matured meats, cooking with spices, roasted vegetables. “Château Croix Cardinale embodies audacity and singularity for us.It allows us to explore a more modern vision of Saint-Émilion, where Cabernets on limestone forge a unique character in the appellation.»
