Révélation de Croix Cardinale, the second blend of Château Croix Cardinale, is the wine of discovery.Expressive and generous nose, enveloping mouth supported by a beautiful nervousness, tasty finish: a wine which opens easily, for all moments of conviviality.Pairings: roast meats, spiced cuisine, chocolate desserts. “Revelation is the right word for this astonishing wine: a fruit that bursts into the glass, born from the meeting between fresh northern slope Merlots and limestone southern slope Cabernets.»
