HAUTE VALEUR ENVIRONNEMENTALE

The Pindefleurs castle in Saint-Émilion embodies vegetable poetry and a passion for land which is renewed season after season. Since 2006, the owner, Dominique Lauret, has undertaken major renovations to combine tradition and modernity, transmitting this family spirit to her children, Audrey and Pierre. The exceptional terroir of Saint-Émilion offers perfect soil for the emblematic grape varieties of the region. Audrey Lauret emphasizes the importance of environmentally friendly wine practices, thus promoting biodiversity and the quality of the grapes. Pierre Lauret shares the vision of the family for the wines of the domain, emphasizing sharing and pleasure. The great wine of Château Pindefleurs embodies this philosophy, with its subtle balance between strength and finesse, reflecting the unique character of its terroir.
