Environmental certifications

HAUTE VALEUR ENVIRONNEMENTALE

Thanks to the acquisition of vines planted at a place called in Pontet and the chai built in Fumet, Roger Bardet developed the first cuvées of the Pontet-Fumet castle in 1962. His grandchildren, today watch over this beautiful inheritance located in the appellation of Saint-Émilion Grand Cru: a magnificent terroir by the Dordogne from South to West Graves.Sporting a beautiful dress with garnet and ruby reflections, Château Pontet-Fumet reveals a complex and elegant nose.Silky and generous on the palate, its dense and balanced structure asserts itself by a good length.
