SWISS

## — Environmental certifications

HAUTE VALEUR ENVIRONNEMENTALE

We are a family from Belgium, who fell in love with Saint-Émilion and its terroirs. Here, barely three hectares, we learned to listen to the vine rather than to dominate it. Each plot has its character and we simply seek to reveal it with patience and sincerity. Château Riou de Thailas, our wine from ancient sands and clays, is the one that best tells our story: a frank, flexible and gourmet wine, made to be shared. No big speeches, just the pleasure of the fruit and the desire to do well.
