AGRICULTURE BIOLOGIQUE

With this hectare of vines acquired by the grandfather of Jean-Luc Sylvain, a nugget produced, a real garage wine, the Clos les Grandes Versannes, in Saint-Émilion Grand Cru. It is in the excellence of the terroir on which it turns out that the Clos les Grandes Versannes draws its richness.Located on a rump of deep bass, the vine benefits from the climatic, ground and basement conditions ideal to obtain from the three grape varieties, Merlot, Cabernet Franc and Cabernet Sauvignon, a perfect maturity and concentration. For this confidential cuvée, each step is developed with the greatest meticulousness.No frills in the cellar, all the attention is paid to vines, winemaking and breeding.Concentrated, powerful but harmonious, the clos Les Grandes Versannes is the fruit of a work of goldsmith and passionate. Organic farming certification was obtained in July 2023.
