HAUTE VALEUR ENVIRONNEMENTALE

At Château Beaurang, since 1949, four generations of the Puyol family follow one another to raise quality Saint-Emilion wines. Many care is taken to the vines throughout the year, in a reasoned protection approach of the vineyard, in order to obtain at the time of the harvest of healthy grapes and maturity. The vinification, assembly and breeding of wines are done with family while rigorously respecting the rules of production of the prestigious appellation Saint-Emilion. These craftsmen-vignerons receive you from Monday to Friday all year round in their 8ha30 property in the town of Saint-Emilion. Visit-Delutation on RDV "from the grape to the bottle" proposed by Marie-Christine and Claude Puyol and their daughter Delphine Puyol
